Principal's Corner

It is so hard to believe that it will be November by the end of the week! Time is flying so fast and we are having so much fun here at St. Paul School! We started a new program at our church this week called "Prayer Sponsors". We have asked that our church members each pick a child or two from our school to pray for throughout the year. They do not have any personal information about your family and will not contact you, however, they may leave a card at Christmas or Easter for your child in the office and we will distribute to their teachers. It is a lovely way that our congregation can be involved in the mission of the school.

Fun things are happening all over campus. In Mrs. Jones' preschool class the students are learning all about Noah and the Flood. They are continuing to work on recognizing the letters in the alphabet. In Mrs. Prehm's preschool class the students are working on a unit about Families, as well as learning about the difference between upper and lower case numbers. Our Kindergarten class is working on Pumpkin books and poems for their writing unit. First and Second graders started a new unit in health about all the systems in the body. They also learned about Gideon in religion this week and how God called him and helped him defeat the Midianites. The Third and Fourth graders started studying Mt. Hood, as well as the seven Continents. They are also finishing studying the final chapters of Genesis.

A fun time was had by all this month at the Pumpkin Patches. We visited Lee Farms and Grammas Farm. Finally, all the kids in the school made cards or pictures for Pastor Richard and Pastor Brandt to celebrate National Pastor's Month, and thank them for doing our chapel time. Enjoy the beautiful fall weather and please feel free to stop in and say hi to me when you are on campus.

Blessings,

Shannon Freudenthal

PTO News

Our PTO Scholastic Book Fair fundraiser brought in **\$3,600!** The profit from this will allow each of the teachers to spend \$400 buying supplies like books, CDs, manipulatives and even furniture for their classrooms. We as a staff cannot thank you all enough for your generous support of our school! We would also like to extend a big THANK YOU to Alicia Kelly who was the coordinator for this Book Fair, and to all of the wonderful parents that took time out of their busy schedules to volunteer and make things run so smoothly!

School Board News

The school board meets on the 3rd Tuesday of every month and is open for all parents to attend. We meet in the library and begin promptly at 6:30. Come join us and help make St. Paul the best it can be.

Dates to Remember:
